

POP CHORUS Evaluation Form

Student's Name _____

Teachers- please assist me in selecting Pop Chorus members for next year. The student's will NOT see your remarks. Just put it in my mail box by May 22nd . (If you do not **get** this form until May 21st, they probably aren't ready for this class.)

1. Has this student ever been a discipline problem?
2. Does this student have good hygiene? In other words-have you ever offered him/her a bar of soap or deodorant OR begged to take his clothes home for a good old fashioned washing???
3. Tell me about their personality? (blah, interesting, entertaining, frightening...could they sell a bikini to an Eskimo?)
4. Do you think this student would make a good Pop Chorus member? In other words, if they can sing, do you think they would they be respectful, responsible, and entertaining?
